

*On Saint Vincent and The Grenadines Government Service*

**SAINT VINCENT AND THE GRENADINES**  
**Ministry of Foreign Affairs, Trade and Commerce**

**DR CHRISTOPHER GARRY STANGE**  
**CONSUL GENERAL**  
***Northern Ireland***

Vincentian Dr Christopher Stange became a member of Saint (St.) Vincent and the Grenadines' Foreign Service in December 2016.

He was appointed Consul General in Northern Ireland (November 2017) and assumed his duties (May 2018).

Christopher has read at Mount Royal University in Calgary, Canada; Western States University in Portland Oregon, USA and the International College of Spinology in Sydney, Australia, receiving degrees in Arts and Science (Economics), Baccalaureate of Science (Human Biology), Doctor of Chiropractic (Honours) and an Advanced Diploma in Neurospinology.

Dr Stange is responsible for Consular Services in Northern Ireland and promoting the St. Vincent and the Grenadines – Northern Ireland relationship.

Assignments have included investment, trade, exchanges, procurement and donation of supplies, equipment and consumables for St. Vincent and the Grenadines; Northern Ireland becoming a Fairtrade devolved region (country), serving as Secretariat to the All Party Group on Fairtrade; sports diplomacy development of baseball and construction of Northern Ireland's first baseball diamond by Lisburn & Castlereagh City Council for inclusion in the Baseball Ireland league and founding the Consular Corps/Association of Northern Ireland (CA-NI), serving as Secretariat.

Prior to joining the Foreign Service Dr Stange practiced Neurospinology full-time and held senior positions at various registered charities and non-governmental organisations.

Christopher has a keen interest in the social, cultural and economic development of small island developing states. He is married to Áine Elizabeth Vance.

His hobbies and interests are reading, politics, diplomacy and world history; travel and expanding knowledge of culture, arts, food and customs; cooking, wine, music, opera and entertaining; fitness (baseball/softball, athletics, badminton).
