the Caribbean you're looking for

St. Vincent and The Grenadines (SVG) is uniquely suited for your next Caribbean sailing adventure, its multi-island geography, unspoiled beaches and turquoise waters set the scene for tranquil sailing. Steady winds and balmy temperatures ranging from 24-30°C provide conditions for year round sailing. Each inhabited island offers something special and is scattered within easy distance, 1-4 hours voyages, from one another. Mooring in the harbours dotted throughout destination, provides an opportunity to explore towns that have retained their authentic tropical charm and are populated with boutique accommodations, beach bars, cafes, marine services and provisions.
